Creston & Area Sub-Regional Fire Service Integration Review

The Regional District of Central Kootenay, in conjunction with the Town of Creston, are seeking public consultation on fire protection services. The review being conducted includes existing fire protection areas as well as areas without fire protection service for possible service implementation.

This includes Riondel, Crawford Bay, Gray Creek, Boswell, Sirdar, Wynndel, West Creston, Creston Flats, Canyon, Lister, Town of Creston, Erickson, Lakeview Arrowcreek, Kitchener and Yahk.

These first meetings are to engage the public in a consultation process which will review;

- **Existing fire services**
- **Gaps in fire protection & services**
- **Options for the Integration of fire services**
- **Opportunities for improvement services**
- **Costs / tax impacts of an integrated service**
- **Opportunities for future improvements to fire services and cost implications**

Local citizens are encouraged to attend one of these meetings to provide input on the fire service delivery model and expectations of service provision. Attend any meeting based upon your convenience, as this process encompasses all areas with RDCK Electoral Areas ‘A’, ‘B’ and ‘C’ and the Town of Creston.
