Re: New Sidewalk Installation (North side of Cedar Street from 11th Avenue to 14th).

As an important link in pedestrian connectivity throughout the community, the Town of Creston will be constructing a new, 2 meter sidewalk along the North side of Cedar Street, from 11th Avenue to 14th Avenue South.

This sidewalk construction work is planned to start in early July, 2019 and will be approximately 4 to 5 weeks in duration.

We apologize for any inconvenience and/or unexpected delays in construction that may occur due to emergency infrastructure repairs that require our immediate attention during this process.

Please feel free to contact the Town if you have any further questions.

Sincerely,

Ferdinand Schmidt
Public Works Superintendent
