Dear Mayor & Council,

RE: Application for a Recreational Marijuana Retail Store

This letter is to inform the Mayor & Council of Creston, B.C. that the Company of Hotel Creston Ltd, have the intent to apply for a licence to operate a recreational marijuana retail store.

We would like to work with the municipality to come up with the ideal location of a recreational Marijuana store. We believe we have 2 suitable locations for a new retail storefront. The first location being the current liquor store at 1418 Canyon St, Hwy #3 (main street), the second location being 137 15th Ave N (currently Puffin Designs). Hotel Creston Ltd is the sole owner of these 2 potential locations.

As a family, we have operated the Creston Hotel & Jimmy's Pub without incident, great diligence and responsibility for over 10 years. We take great pride in being able to employ over 40 people in the Creston Valley. We are a family oriented, community focused business who help sustain many other local businesses with our sourcing of local products and services.

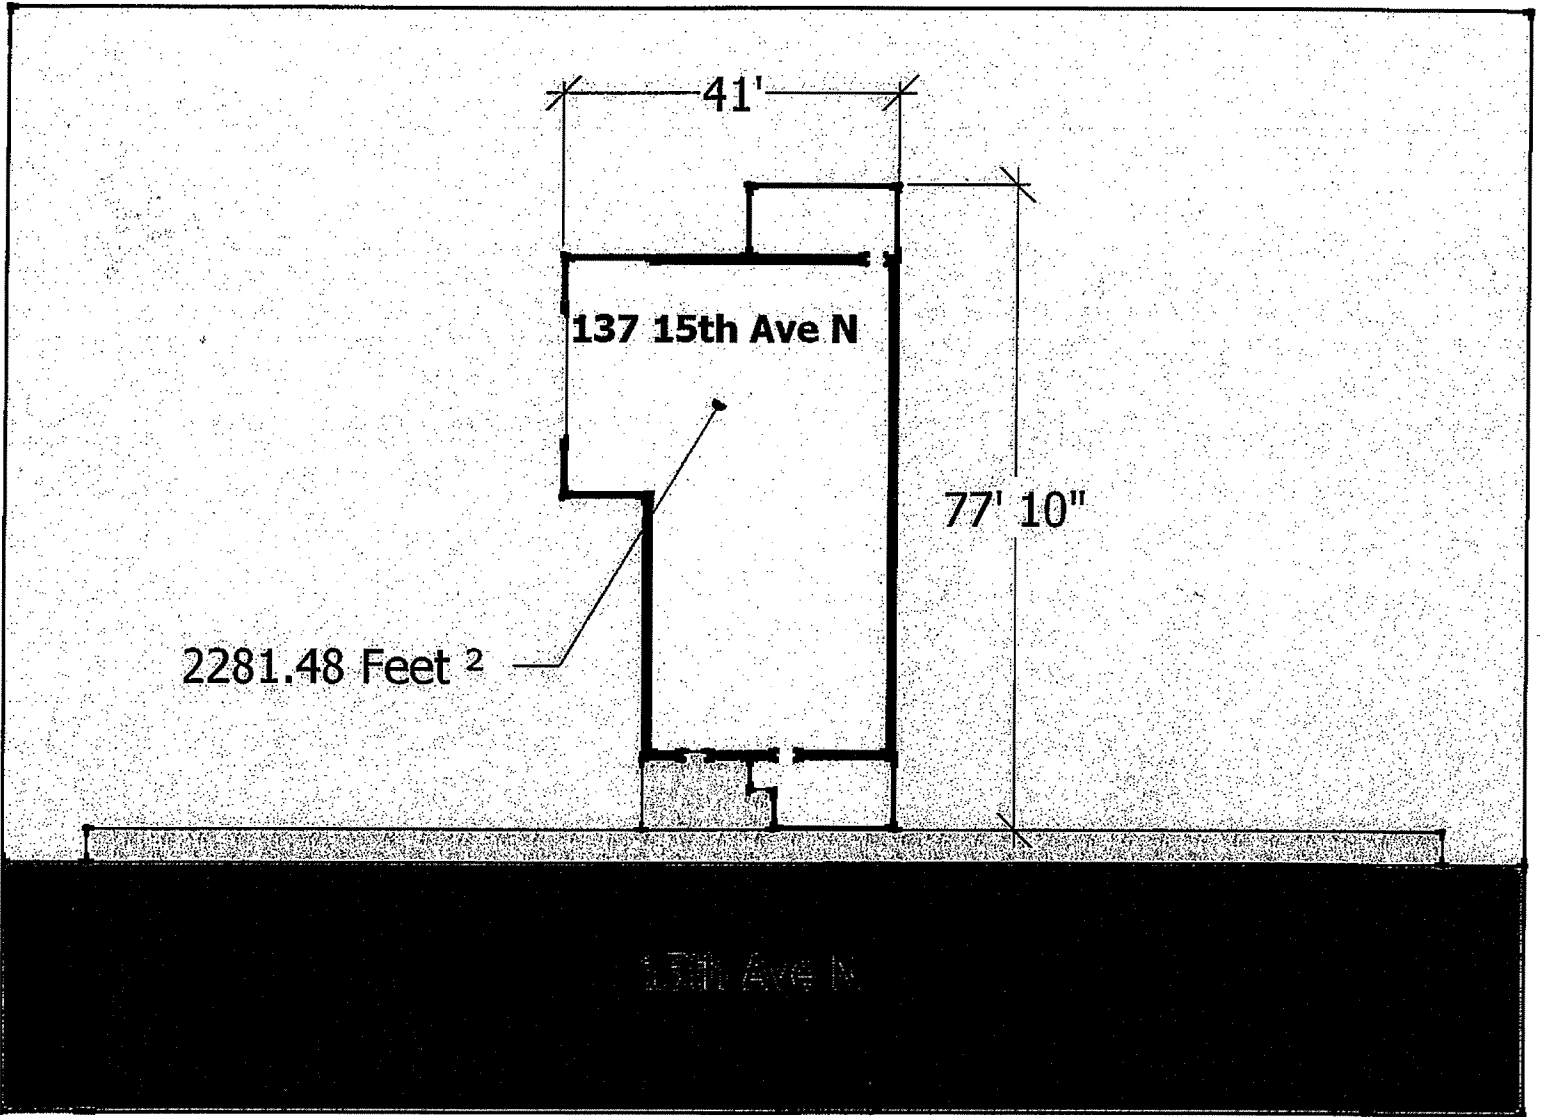

We are financially secure and ready to invest capital in this new venture, and with the support of the Mayor and Councillors we can work together and create something that is a fit for the Town of Creston.

We have attached a general floorplan of the 2 spaces available. They in no way reflect the final layout of the store we are proposing, we will have a more detailed design once the province releases requirements.

We appreciate your time to consider the operators of Hotel Creston Ltd. to run a business of this nature in the Creston Valley; we can assure you that we will be compliant with the regulations that our local and higher governments set forth for operations.

Sincerely,

Chris Karountzos & Mimika Coleman
