

# CRESTON VALLEY ACCESS TO HEALTH CARE CRESTON, BC

The community of Creston is fortunate to have a 24 hour community hospital as well as four clinics with physicians dedicated to providing health care for Creston Valley residents.

These Family Practice physicians not only cover their patients, they are “on call” by rotation to the 24 hour Emergency Room at Creston Valley Hospital for EMERGENCIES that require urgent attention.

In addition, as for all British Columbia communities, there is a free 24/7 call centre, “HealthLinkBC”, which is a health information line for non-emergencies ..... 811
