

# Creston Municipal Tax Certificates

May 18, 2016

## Now Available Online!

The Town of Creston, British Columbia is pleased to announce that customers can now order municipal tax certificates through Tax Certificates Online.

The Town encourages those requesting tax certificates to obtain them through the new service. Online tax certificates are \$41.53 (\$20 Town fee + \$21.53 service fee) and they are issued instantly. Tax certificates obtained directly from the Town are \$40 and depending on how busy town staff are they could take up to 24 hours to be issued.

**Tax Certificates Online** (TCOL) is a fast, convenient way to obtain municipal tax certificates electronically. Lawyers and Notaries simply enter the property Parcel Identification (PID) or Roll number and the tax certificate is returned to your desktop in seconds.

**Access Point Information Canada Ltd** (APIC) created TCOL over ten years ago to provide secure online access to tax certificates from most of the municipalities in the Province.

**Creston** customers can now enjoy the benefits of TCOL with its centralized, single point access to multiple municipalities. Customers can obtain certificates instantly reducing effort to access this information.

## Participation is Easy!

### There are three simple methods to order your Tax Certificates

Through: <b>Access Point Information Canada Ltd.</b>	Purchase using your <b>Credit Card</b>	Step 1: Go to <a href="http://www.apicanada.com">www.apicanada.com</a> Step 2: Register and log onto TCOL Step 3: Enter the PID and place order Step 4: Register
