Re: Sanitary Sewer Line Replacement

The Town will be replacing the Sanitary Sewer Main located in the Alley to the west of 10th Avenue North (shaded in yellow on the drawing below) which runs from Vancouver Street to a Manhole behind Creston Valley Bakery.

The construction will commence at the south end of the Alley behind Creston Valley Bakery (at 113 - 10th Avenue North). This work is planned to start Tuesday, October 15, 2019 and will last approximately 3 to 4 weeks in duration. **During this time access through the Alley will be restricted and parking will be limited.**

We apologize for any inconvenience and/or unexpected delays that may occur due to infrastructure repairs that require our immediate attention during this process.

Please feel free to contact the Town if you have any further questions.

Sincerely,

Ferdinand Schmidt
Director of Infrastructure
