

**REGIONAL DISTRICT OF CENTRAL KOOTENAY
THE TOWN OF CRESTON & ERICKSON
WATER CONSERVATION NOTICE**

Creston Valley, BC
For Immediate Release

September 30, 2015

Water Restrictions Lifted Effective October 1, 2015
For the Town of Creston and Erickson

All Town of Creston and Erickson water service areas will have watering restrictions lifted effective October 1, 2015.

From July 1 – September 14, 2015, due to Water Conservation Level 3 being introduced, a significant decrease in average water consumption has been documented in comparison to 2014.

The Town of Creston and the Regional District of Central Kootenay thank all the homeowners and businesses for working together this summer to conserve drinking water and maintain water storage for fire protection.

Town of Creston water conservation measures are available at: www.creston.ca
Erickson water conservation measures are available on the RDCK website: www.rdck.ca
