# Important bylaw considerations during your stay

## Noise Control

It's prohibited to create or allow noise in any area that could disrupt the local community's comfort.

- Using any sound-producing devices in a manner that invades the peace of the surrounding area is not allowed.
- Keeping animals or birds that frequently make loud noises disturbing the neighborhood's peace is forbidden.
- Operating any poorly maintained or unnecessarily loud snow vehicles, motorcycles, or motor vehicle that disrupt local tranquility is prohibited.

## Animal Care

- Dogs or cats must not make excessive noise by howling or barking continuously for 10 minutes or more, or sporadically for a total of 15 minutes within an hour, or in any other manner that becomes a nuisance.
- Pets should not roam freely ("At Large") within the town.
- When in public places, dogs and cats must be either in a carrier or on a leash, chain, or tether no longer than 183 centimeters (6 feet).
- Dogs may be off-leash only in the designated Creston off-leash dog park at 1414 Cedar Street, except for dogs deemed dangerous or those not under the immediate verbal control of their owner.
- Pets must not be tied or attached to traffic control devices, fire hydrants, handrails, or any objects in a way that could block public access or create a nuisance.
- No pets are permitted in Centennial Park, Burns Park or Millennium Park.

## Liquid Waste

The following materials are banned from being dumped into the sewer system, including both sanitary and storm sewers, to prevent damage and ensure the system works correctly:

- Flammable Materials; Solid or Viscous Substances (such as cooking or engine oil); Noxious Substances; personal care products (such as wipes or hygiene products).

## Clean Air

- Smoking is not allowed inside parks, public green spaces, or cemeteries, or within 6 meters (about 20 feet) of these areas, except in designated smoking zones.
- It's prohibited to smoke within 6 meters of public school grounds, bus stops, train stations, taxi stands, or designated passenger pick-up or drop-off points, and any entrances, windows, or ventilation systems of public buildings.
- Smoking is banned at outdoor special events, regardless of their location.

## Fireworks & Firearms

- Discharging firearms or paintball guns within the municipality is prohibited.
- Possessing, storing, and discharging fireworks is prohibited without a permit.

## Open Burning

General Restrictions:

- Open air fires are generally prohibited unless specifically allowed by the bylaw.

Exemptions for Cooking Fires:

- Cooking fires in barbecues or fire pits of specific dimensions, using certain fuels, do not require a permit if they meet set requirements.

- All smoke alarms are interconnected and must be in working order on every floor level and in every bedroom.
- Carbon monoxide detectors are present in every level of the residence and are in working order. (Only applicable where there is a gas appliance in the house, such as forced air gas furnace or gas fire place, or an attached garage.)
- Electrical cords are in good working condition.
- All escape routes are clear of obstructions and easily accessible. All bedroom windows are required to meet the egress requirements for life safety and have a minimum clear opening size of 3.77 square feet with no dimension less than 15 inches. Opening the window must not require special knowledge to release window hardware to get out.
- Clothes dryer lint trap and exhaust is clean, lint free, and vented to the building exterior.
- No Portable Heaters.
- The furnace has been inspected and the filter replaced in the past year.
- The fire place chimney has been inspected and cleaned in the past year (if applicable).
- All portable fire extinguishers with a minimum 2A-10BC rating shall be made available, visibly mounted on each floor area, and shall be inspected and tagged annually.
- Address numbers are visible and easy to read from your fronting street.
- Exterior Lighting is installed at each entrance into the building.
- All exit doors are free of obstructions. Sleeping area emergency escape and rescue openings are free.
- Sanitation standards are met (free of mold, mildew, or infestation) and all plumbing is in working order.
- All stairs with three or more risers are provided with approved handrails. Guard rails are required on all stairs and landings more than 600 mm (24 inches above grade). The height of the guards is 36" for decks and landings less than 1.8 meters (6 ft) above the ground and 42" for those higher than 1.8 meters (6 ft) above the ground. Guards on all stairs (inside and outside) are required to be 900 mm (35 ½" high).
- Cooking facilities are ventilated to the building exterior.
- Dwelling has no broken windows, doors, or other structural hazards.
- Approved covers are in place on all electrical switch and outlet boxes.
- All circuit breakers are labeled, in English, to show what they control and are accessible to guests.
- All water heaters have a pressure relief valve, with extension tubes installed to 1" above the floor or drain pan.
- All natural gas appliances have individual gas shut-off valves, located in an accessible location.
- Fire & Safety Plan posted at all required entrances and exits.

# Fire Safety Plan

It is also required that you post a fire and safety plan at entrances and exits and in each approved bedroom. The fire safety plan must include the following information:

- Responsible person contact information
- Emergency contact number (911)
- Designated meeting point
- Location of fire extinguisher and smoke/carbon monoxide alarm (s)
- Location of window exits of code-approved size
